Secretary Folger Opposed to the Carlisle Bill-Congressional Proceedings— The "Jumbo" of the Senate.

Washington, April 24.—Senate.—A bifl for the public building of Quincy, Itl., was reported favorably.

A number of bills were introduced and re-

anip between the United States and South American countries. It proposes holding a convention in Washington the present year, with a view to the construction of a through line of railroad along the eastern slope of the great mountain chain from Central America to Chiti, and the establishment of other facilities of communication. other facilities of communication.

The Senate, after an executive acasion, ad-

House,-Mr. Robinson desired the immediate consideration of the resolution con-cerning the imprisonment of American citi-zens, but the matter went over until to-mor-

The bill passed appropriating \$50,000 to be exp nded under the direction of the sec-retary of war, and to be immediately availa-ble, for the removal of obstructions from Heil Gate, N. Y.

Under the call of States many bills were

under the call of States many bills were

decod and referred. Under the call of States many bills were introduced and referred.

Then the House proceeded to the consideration of business relating to the District of Columbia. The bill increasing by 100 members the police force of the District gave rise to discussion upon the provision authorizing the commissioners of the District in the ap-

the commissioners of the District in the appointment of policemen to give preference to men honorably discharged from the volunteer force of the army. After a long and stormy debate of a political nature the bill passed—yeas, 117; nays, 66, the negative vote being cast by the Democrata.

Mr. White [Ky.] then took the floor on a question of privilege, and spoke until adquestion of privilege, and spoke until ad-

district the products of their stills. He holds that it would enable the distiller to the hands of the government. The "Jumbo" of the Serate,

President pro tem. Davis, of the Senate, had, on Saturday afternoon, his third break-down since he became a member of that had, on Saturday afternoon, his third breakdown since he became a member of that
body. The trouble with the Hilisois senator
is that he forgets an ordinary chair cannot
sustain the 400-pound mass of flesh which
belongs to him. He ought to follow the
example of the late Senator Dixon H. Lewis,
and only use chairs specially constructed to
stand the strain. Judge Davis, who had put
another senator in the big, strongly-braced
chair which he occupies as presiding officer
of the Senate, had been strolling around the
chair which he occupies as presiding officer
of the Senate, had been strolling around the
him weight of 125 pounds, he took a notion to
rest himself. He sank into the chair, and
the schair sank to the floar in broken pieces,
which were strewed all over the judge as he
lay sprawling. As he scrambled to his feet
with a sense of injured disputy fresh upon
him, he saw that Senator Butler, of South
for a summing broadly, and his ear caught the
